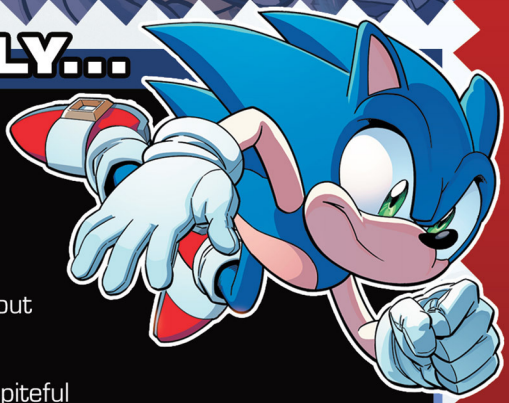
SONIC™ THE HEDGEHOG

PREVIOUSLY...



PROFESSORS IN A PICKLE!

Sonic the Hedgehog and his heroic Freedom Fighter friends have saved the world countless times over. Now they might be out of their league.

Thanks to a short-sighted and spiteful attack by Dr. Eggman, reality has been irreversibly changed. The chaotic energies at play pushed the world to the breaking point – and beyond!

The torn planet has mysteriously stabilized, with the broken pieces floating around the core of Sonic's world. Dr. Eggman researched the strange phenomena, which lead him to Prof. Pickle, the man who may hold the key to the planet's survival.

Wanting to gain the upper hand in his world conquest, Dr. Eggman kidnapped Prof. Pickle and anyone involved with his research, including the Freedom Fighters' ally: Chuck! **It's up to Sonic and friends to free the professors before it's too late!**

The chase is on...

Dear 'Sonic Grams,'
Hi everyone! I'll have the usual!

One of our regulars I see!

I wanted to say that I am currently loving the new comic universe, and I love all the new designs!

Happy to hear it! We love 'em too!

Everything is getting so exciting that I am almost literally on the edge of my seat waiting for the next comic!! Also I loved how in 256 Sally and Amy teamed up to fight Metal Sonic. I love both Sally and Amy, so every time I see them working together it makes me smile! I'd love to see them interacting more!

Your wishes will be granted now that the Freedom Fighters have reassembled!

I noticed in 254 that when the ground cracked open and Sonic inhaled the purple gasses, he seemed to be making growling noises. And then Uncle Chuck mentioned going to Spagonia. Could this possibly mean that we will be seeing the Werehog soon?

...Maayyyybbeeee...

And finally, I know someone already asked this, but can you guys please bring in Honey the Cat? She would make such an awesome edition to the team!

I hope you all have a great day!
Sincerely,
Brittney N. sent to
Sonic@ArchieComics.com

P.S. Can you guys tell Amy and Sally I said "Hi"?

I think she has a fighting chance! Thanks for the letter, Brittney!

See y'all next month!
